## PRETTY & PROFITABLE FUNDRAISER

### This new fundraiser is the easiest one yet!

No order forms to collect or deliveries to arrange, just pre-order however many baskets you plan to sell, and once they arrive go out and sell them!

These will be 10" hanging baskets with various flowers.

*Thank you for choosing Pots'n'Pansies for your fundraiser!*

Please follow the ordering guidelines below, and if you have any questions call Shelley at 780-305-6310.

#### 1. SET YOUR PRICE

We charge your organization a low, flat rate for each item, so that you can set your fundraiser price at whatever level you want, and keep the difference as profit. The suggested retail prices below can be used as a guideline. For your convenience, all of our prices include GST.

##### YOUR COST (2024 SEASON)

·10" HANGING FLOWER BASKET ----- \$15  
(Suggested retail - \$22)

#### 2. DECIDE HOW MANY BASKETS YOU WANT

For this fundraiser, all of the baskets will be pre-ordered, so you can decide up front how many you would like your group to sell. For example, if your group has 20 members and you expect each will be able to sell 5 baskets you can place your order for 100 baskets.

#### 3. PICK YOUR FULFILLMENT DATE

Orders can be ready on the Friday before the May long weekend, or in the week following the May long weekend. This is the date your order will be ready to pick up from Pots N' Pansies, please call us to confirm your date.

#### 4. PLACE YOUR ORDER

To place your order, submit the organizer's order form, along with payment:

**IN PERSON** - Call Shelley at 780-305-6310 to make arrangements. Payment is due at time of order.

**BY EMAIL** - You can scan and email your order to smayb50@gmail.com. Payment can be made by e-transfer to smayb50@gmail.com.

**ORDERS MUST BE RECEIVED BY MARCH 1.**

#### 5. PICK-UP & DELIVERY

Your baskets will be available at Pots 'n' Pansies for pickup on your selected fulfillment date. Once you pick-up the baskets, you can distribute to your group members and start selling!

#### 6. ENJOY YOUR PROFITS

For each basket you sell, the difference between your cost and the retail price you set is yours to keep. For example, if you order 100 baskets at \$13, and then sell them for \$20 each that will be a \$700 profit to your group.
